Delivery Guidelines
<p>* Delivery service is an optional fee based service. The fee paid is for the one time delivery of your merchandise. Your fee includes basic installation for most refrigerators, washing machines, and electric dryers. Delivery will not install dishwashers, OTR microwaves, water heaters, and any other item requiring Professional Installation. The Delivery Personnel will make the final decision regarding their ability to install a particular item.</p> <p>*Customer is responsible for ensuring merchandise will fit in the desired location, and has verified that there is a clear and accessible path large enough to facilitate merchandise delivery.</p> <p>*Customer understands that Delivery Personnel will not install water lines to any plumbing that they deem unsafe/leaking/non-standard.</p> <p>*Delivery will install new hoses/cords/vents purchased at Sears Outlet only.</p> <p>*Delivery Team will not relocate any existing appliances. Haul away is removal from home only.</p>

Delivery fee is non-refundable

If Delivery Team attempts to deliver merchandise and there is no answer at the Delivery Address, a \$50 Re-Delivery Fee will be required to complete a second Delivery attempt.
